IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant	: Jerry Powell	Attorney Docket No.:	500582.12
Serial No.	: 09/975,063	Group Art Unit	: 1633
Filed	: October 10, 2001	Examiner	: Not yet assigned
Title	: HUMAN ERYTHROPOIETIN GENE: HIGH LEVEL EXPRESSION IN STABLY TRANSFECTED MAMMALIAN CELLS		

INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents
Washington, D.C. 20231

RECEIVED

MAR - 4 2002

TECH CENTER 1600/2900

Sir:

In accordance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98, applicant wishes to make known to the Patent and Trademark Office the references set forth on the attached form PTO-1449. This application relies, under 35 U.S.C. § 120, on the earlier filing date of prior Application No. 08/466,412, filed June 6, 1995, which is a continuation of U.S. Patent Application No. 08/132,489, filed October 6, 1993, now U.S. Patent No. 5,688,679, which is a continuation of U.S. Patent Application No. 07/453,381, filed December 18, 1989, now abandoned, which is a continuation of U.S. Patent Application No. 07/211,278, filed June 21, 1988, now abandoned, which is a continuation of U.S. Patent Application No. 06/879,423, filed June 27, 1986, now abandoned. The references listed on the attached Form PTO-1449 were submitted to and/or cited by the Patent and Trademark Office in these prior applications and, therefore, are not required to be provided in this application. If the Examiner wishes, copies will be provided upon request. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with applicant's duty to disclose all information he is aware of which is believed

relevant to the examination of the above-identified application, applicant believes that his invention is patentable.

Applicant also wishes to make known to the Patent and Trademark Office that an application, Serial No. 09/238,055, describing and claiming subject matter that is similar to the subject matter of this application, was filed on January 27, 1999. This related application is a continuation of above-referenced Application No. 08/466,412, filed June 6, 1995. Applicant also wishes to make known to the Patent and Trademark Office application Serial No. 10/011,858, filed on November 5, 2001, which is a continuation of above-referenced application Serial No. 09/238,055, filed on January 27, 1999. These related applications, as well as any prior art cited therein, may be material to the examination of this application. The specification, claims, abstract and drawings of these related applications as filed are identical to those currently on file in the instant application as filed, therefore a duplicate copy is not submitted herewith.

I hereby certify that no item set forth on the attached form PTO-1449 was cited in a communication from a foreign patent office in a counterpart foreign application or, to my knowledge, after making reasonable inquiry, was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement.

Please acknowledge receipt of this Information Disclosure Statement and kindly make the cited references of record in the above-identified application.

Respectfully submitted,
DORSEY & WHITNEY LLP

Mark W. Roberts, Ph.D.
